## 2022 Low Income Subsidy (LIS) Cost Overview

**If a member gets Extra Help from Medicare to help pay for prescription drug costs, his or her monthly plan premium will be lower than what it would be if he or she did not get Extra Help from Medicare. The amount of Extra Help will determine the total monthly plan premium as a member of one of our plans.**

The table below shows what the member's monthly plan premium will be if he or she gets Extra Help. While the premiums listed below include coverage for both medical services and prescription drug benefits, the member must continue to pay his or her Medicare Part B premium and any other applicable Medicare premiums.

	Central Ohio, Cincinnati/Dayton and Toledo (Region 3)	\$2.00
